

# SCAVENGER HUNT!

**Seven Lochs has many different trees, plants and animals which make it very special. There are all sorts of treasures to find if you look close enough!**

## You will need

- Scavenger hunt activity sheet
- Pencil
- A bag or container (an egg box or pot from the recycling bin will work!)

## Keep in mind

- If you are collecting items, don't break anything off of a plant or tree.
- Wash your hands after your scavenger hunt

## John Muir Award

- Discover
- Explore
- Conserve
- Share

## What to do

- Using the activity sheet, go on a scavenger hunt in Seven Lochs.
- See how many items you can spot - who can find them the fastest?
- Gather the 'Items to Collect' on the activity sheet in a bag or container. Once you have collected them all, see if someone else can guess which item matches which description.
- You could take the activity sheet every time you go for a walk in different areas of the park and see if you can still find the items.
- Tell us what other interesting things you find on social media #SevenLochs

## A great place for this activity is....

Anywhere!

You could do this activity anywhere in Seven Lochs, another greenspace or even your garden!

INSPIRING SCOTLAND

# SCAVENGER HUNT

## Activity Sheet
