

Investing in trees

Raising natural capital for the NatWest Forest tree nursery at Gogarburn

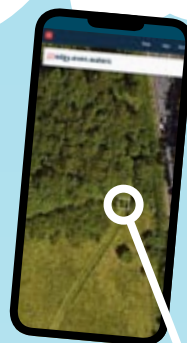

Through the NatWest Forest, in partnership with The Conservation Volunteers we are already pledging hundreds of thousands of trees across the UK. We are now creating a groundbreaking project here at Gogarburn HQ. Developing a tree nursery on site to grow our very own trees, and we need your help. From seed to sapling, to trees in the landscape. Every step of the process supported by NatWest volunteers. This is a unique and exciting project. Here's what we need you to do...

1: Visit one of our dispensers and collect a paper bag (think of it as a paying-in slip)

2: Scan the QR code on the box to take you to nearby trees

3: Go find those seeds and fill your bag

4: Make your deposit at the drop-off point in Gogarburn HQ

5: TCV will collect and sort your seeds, we'll need your help to plant and care for them at the nursery, look out for opportunities
