

I Dig Trees Email to send out to enlist the support of your tree planters

You can copy this text into an email and adapt it as you choose to enlist the support of your tree planters and provide them with further information about your tree planting day.

(But remember to check that you have permission to contact everyone on your list first!)

Dear/Hi

I'm excited to share with you that we will be planting trees again this year, thanks to The Conservation Volunteer's I Dig Trees programme.

This year, we have xx (insert number of trees) trees to plant. Our planting day is scheduled to take place on xx.xx.xx (insert date) at xx (insert location) from xxxx to xxxx (insert timings).

We want to make our event a special community day and would love to have you and your family come along and join in by helping to plant the trees. If you would like to take part, please could you bring along (insert details of anything you need people to provide – spades, gloves, watering cans etc)

This year, we will also be carrying out some fundraising activities to support the funding of the trees that we've been provided, and we'd love your help.

(Insert details of any fundraising activities that you'll be running)
We look forward to seeing you soon.

With best wishes
